About Us

What is Tracy's Scentsational Candles and How did it start?

Well... it was my Husband's idea to sell candles!

No Ladies and Gents, I cannot take the credit for that, however it was my First Lady who suggested that I make them and sell them myself!

It sounded like a really good idea...and turned out to be a great idea!

Now, I want to be a Blessing to those of you who love Candles as much as I do!

So.... Here is what my company can do for you -

I can custom make you a candle!

You let me know what size, shape, scent and color and how

many you want - I produce the candles.

IT IS THAT SIMPLE!!!

We have over 300 scents available. For a full listing of scents,

visit us online at www.tracysscentsationalcandles.com
